

Introducing **Animal Gelato Cannabis Seeds Feminized**, bred by **Quebec Cannabis Seeds**. A powerful hybrid with a **50% Sativa and 50% Indica** genotype, this strain combines the best qualities of its parent genetics—**Gelato, Animal Cookies, Grape Pie, and Afghani Skunk**. **Animal Gelato** is a strain that delivers an extraordinary experience for both **recreational and medicinal users**, featuring **high THC content (24% to 27%)** and a **CBD level of 1%**. Whether you're looking for a rich and balanced high or a delightful flavor profile, **Animal Gelato** is a must-try for cannabis enthusiasts.

The **feminized seeds of Animal Gelato** guarantee a high-yielding harvest of **resinous buds**, suitable for both indoor and outdoor cultivation. With **indoor flowering periods of 65-75 days** and **outdoor harvest times in early to mid-October**, this strain offers **impressive yields of up to 525 grams per square meter indoors and 700 grams per plant outdoors**.
